Entre Nous

dear cynnua,
Here's to all the fun we've had this year and
more we'll have in the following years. Lots of
happiness in the future. Always Remember to
night you, James, Roger & me went past a certain Byrd's
house and cut up quite a bit. Remember all of the
parties and remember the "Pepsi", because that's
when I started being "you", Gloria's & Linda's friends.
I've really enjoyed this year. Remember the basketball
games, these Coleridge boys and, of course, the wheel-
barrow rides. Don't forget my "infatuations" nor your
either. Hope he catches you. Remember all of "ewe"
parties and don't forget the trips to the office. Remember
all the fun and trouble we had over a certain "thing".
Don't forget the night you went with "us" to Sophia's to
sing. Maybe someday I can push you around in the
wheelbarrow by myself. Don't forget Kenneth, Mackie
& Fred & Tommy. I doubt if I ever will. Here's to all
the fun we're going to have this summer. Always re-
member the good times we had at various weiner
roasts. Maybe next fall we can have a "noon" at my
house and the same ones who we invited can come.
O.K. (Well, I've "ran" out of things I could write
in here). Just kidding of course, but one thing, just
remember me as what Kenneth said about me,
"Good luck to a nice girl his' autograph". You're a
good girl, Sue and I think we'll get along just fine.
Please think of me as a nice girl and forget
about the times I've made you mad. Love always
Sing this song when you're blue
"m" Best to you + thanks to you yours
Dorothy

I've forgotten anything we've done together just
as something I forget because (although you
not know it) I'm very forgetful. Hope your kid does
just fine in the future & hope he'll "act" like you was
him too.
Betty Sue

Good luck to a
sweet and pretty girl.
Don't forget all our Glee
club practices and your
high notes. You have a
beautiful voice. Good luck in
everything you do. Love you,

Introduction

Through the years, the unforgettable years at Coleridge High School, we have laid a foundation that will last through the remainder of our lives. Our hopes, our dreams and our future are determined by how well we have applied ourselves in the curricula offered at this, our Alma Mater. These are the happiest years in our lives and we want to remember them, and all those people with whom we have shared them, by some material thing. This is our objective in publishing our "ENTRE NOUS". May it remind you of your high school days

THROUGH

THE

YEARS

Dear Cynthia,

I wish you good luck in the future and good happiness too. It certainly has been a pleasure knowing you all these years. I hope you succeed in everything you want to do.
Best wishes to you.

"Love always"
Mary Craven

I have enjoyed going to school with you this year. Best wishes to a very nice and friendly girl I wish you the best of everything.

Dedication

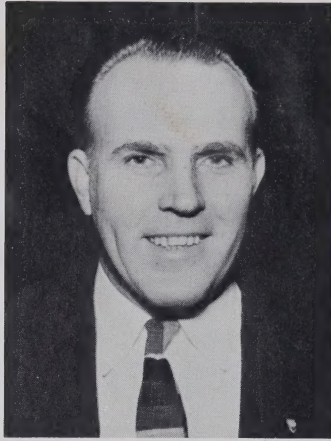

We, the Senior Class of 1956, do proudly dedicate this, our edition of "Entre Nous", to you parents. We sincerely appreciate all you have done to make our graduation possible--the sacrifices you have made, the encouragement you have given us, and the confidence you have placed in us these past twelve years. We realize that without your understanding and devotion we should never have attained this goal. May we reach for higher goals and ever strive to make you know that your work has not been in vain.

To you, our parents, we sincerely say

THANK YOU

Class History

It was in September of 1944 that forty scared, and bewildered little boys and girls entered the first grade. We had Miss Gabriel for our teacher. The beginning was a long time ago, but it seems as only yesterday that this class was beginning the fundamentals of reading, 'riting and 'rithmetic.

Our knowledge increased the next three years with Mrs. Presnell, Mrs. Kalldoff, and Mrs. Gladden. These years flew by quickly with many new experiences; the "operetta" under the direction of Miss Gabriel and the rhythm band under the direction of Mrs. Kalldoff.

The fifth, sixth, seventh and eighth grades passed fast, with our number slowly decreasing our knowledge increasing and our world broadening. Our teachers these years were Mrs. Cecil Cox, Mrs. Eugenia Wilson, Mr. J. F. Sherard, and Mrs. Frances West, respectively. Then we were ready for high school, or at last entering it, whether we were ready or not.

With heads held high and dauntless spirits the class of 1956 entered high school. Try as we might, there was no way of keeping the upperclassmen from knowing how scared we were. We had for our homeroom teacher Mrs. Mae Eva Barker. For our class officers that year we elected Georgia Macon, president; Mary Ann Wright, vice-president; Martha Allen, secretary; and Anne Rains, treasurer. At the end of that year we were very proud to learn that Mary Ann Wright was awarded a medal for having the highest scholastic average in high school.

As sophomores we joined the ranks of the experienced and laughed at the frosh, although we still secretly felt insecure. We had for our homeroom teacher that year Mr. E. H. Thompson. Our Class officers were: Roy Brown, president; Anne Rains, Vice-president; Martha Cole Allen, secretary; and Wilma Craven, treasurer. That year eight girls were chosen to be waitresses for the Junior-Senior Banquet. As gay, young senioritas they were Martha Cole Allen, Peggy Brewer, Viola Cain, Wilma Craven, Carrie Moffitt, Anne Rains, Ann Jenelle Poole and Mary Ann Wright.

By the time our junior year arrived, we were beginning to feel like old timers. Peggy Brewer was elected president, Gail Craven, vice-president, Wiley Brady, secretary and Ann Jenelle Poole, treasurer.

One of our most memorable occasions that year was the day our class rings arrived, February 22nd.

The highlight of our junior year came the night of April 22nd. Our banquet "Stairway to the Stars" will never be forgotten. Decorating for the big event only added to the thrill of the banquet itself.

And then in a twinkling almost we were seniors. The journey from awed freshmen to erudite seniors was reaching a climax. Milton Hayes was chosen president, Mary Ann Wright, vice-president; Wiley Brady, secretary; and Gail Craven, treasurer.

The senior class chose as its colors, white and blue with white gardenia as our class flower. "Forward ever, backward never" was selected as our motto.

We shall look back with fond memories on the Junior-Senior Banquet, the class play and perhaps the greatest moment of our lives, graduation.

With humble hearts we say "thank you" to our sponsors and teachers through the years for helping us along the way. Our appreciation to them, our parents, and our principal is so great that we have no alternative except to make them proud of us and to know that their efforts to make us better citizens were not in vain.

We say farewell to Coleridge High School but we shall remember it with love and gratitude. Whenever we review the memories of our school days in the scrapbooks of our minds there will be a tugging at our heartstrings for the things that are gone forever.

Class Prophecy

Have *you* ever been to a fortune-teller? It is an exciting and spine-tingling thrill to ask the bedecked, dark gypsy with a secretive air what your future will be. You sit there, holding your breath, while she unravels your past, present, and future. I recently visited Madame Sabrai, a famed fortune-teller, to see what lies ahead for each of my classmates.

Madame Sabrai told me that five years from now, Martha Allen will be teaching kindergarten in the growing city of Coleridge.

Gail Craven is a successful businessman and has recently employed ten beautiful, young ladies as "private" secretaries.

Vertle Ritter is head nurse of our own Memorial Hospital in Coleridge.

Wiley Brady, the most famous news-reporter on radio, is traveling around the world getting "scoops" and drawing cartoons for the "Daily News."

Wilma Craven, after graduating from Guilford College, is teaching English and French at High Point High.

Glenn Cox, now owns a coast to coast bus line and in his spare time tours the country boosting the sale of his recently published joke book.

Milton Hayes has perhaps become the most successful member of our class. After graduating from N. C. State College and Georgia Tech, he has

become the president of the great General Motors Corporation.

Carrie Moffitt owns a chain of beauty shops famous for their hair styling.

David Kidd who recently purchased a 1960 Chevrolet convertible is the famous mechanic for Herb Thomas, winner of practically all car races.

Shelby Garner has returned to our Alma Mater to become full-time secretary for Mr. Presnell.

Ann Jenelle Poole is "the" private secretary to the President of the United States.

Mary Ann Wright, still single, is happily teaching Home Economics at Coleridge High.

Anne Rains, still single also, has graduated from Lees-McRae College and is Medical Secretary and Librarian at John Hopkins Hospital in Baltimore.

David Craven is playing with the New York Yankees and has set a new world record for hitting home runs.

This revelation was even more than I'd have asked for, had I been predicting. I felt well paid, and the Senior Class resolves within itself to live up to the prophecy about us.

Coleridge School Song

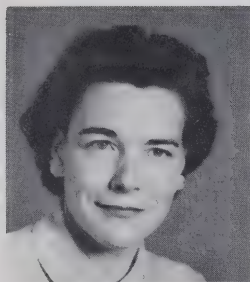

Our strong band can ere be broken,
Formed at Coleridge High.
For surpassing wealth unspoken,
Sealed by friendships tie.

Coleridge fairest we will give

Give our hearts devotion ever
Through our high school days.

High school life at best is passing,
Gliding swiftly by,
We will Pledge in words and deeds,
Love for Coleridge High.

Coleridge fairest we will give

Give our hearts devotion ever
Through our high school days.

R*eflections*

● Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-six edition, will take its place in your heart as a pictorial history of the “good ole’ days.”

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.

Dear Cynthia.

I have enjoyed your friendship very much the past three years and hope we will have as much fun the next three (3) years.

I want you to remember the Navy, it may help you out some time. Also the night the cows got out.

If you ever get bored with life just write a poem and that will stray -
pter everything out fine, or one of those crazy stories. Better yet sing that song about ~~Staley~~ "Staley's Garage".

Remember those nights at "Blue Mist", Sailors and all. By the way wouldn't you just love to visit that church in Sophia again, but not quite the same as before.

During the summer when it gets hot I want you to cool off with a "Pepsi".

As soon as we all recover from the last one let's give another party, and invite Fred, Mackie, Kenneth, and Tommu. And make it worth our money.

If you ever want a song played "High
Point Calling" is program to have it played
on.

I have been aiming to tell how much I
have enjoyed going with you to practice
organ, but in the future I would like
for you to furnish a set of ear plugs.

I hope every dream you have, whether
it be for a "black bird" or what ever,
will come true to the fullest extent.
